Lesbian Gay Bisexual Transgender History Month

LGBT History Month takes place each **February**. It celebrates the lives and achievements of the LGBT community. We are committed to educate, celebrate and promote its diversity and that of society as a whole.

LGBT History Month is an opportunity for all of us to learn more about the histories of **lesbian, gay, bisexual** and **transgender*** people in the UK. In the past, LGBT people often remained hidden due to legislation. Even though we applaud the changing legal and social climate, many still live in fear of ostracism, prejudice, victimisation, assault, and even murder. Education and awareness can change this.

LGBT History Month in **Norfolk** has been going 3 years and has been supported by councils, unions, community groups, local businesses and generous individuals. This leaflet gives you a taste of the events and enthusiasm within our community. For example, the **UEA** are hosting 6 events and the **Catherine Wheel** nearly 20! Some are educational, some fun, but all are opportunities to meet and celebrate with LGBT people whether or not you are LGBT yourself.

For more information see www.lgbthistorymonth.org.uk or www.lgbthistorymonthnorfolk.org.uk
Further details of this year's events can be obtained via facebook.com/group.php?gid=100560850005475,
events@lgbthistorymonthnorfolk.org.uk or txt/call 07934 850545.

* **LGBT** is an inclusive term representing **Lesbian, Gay, Bisexual** and **Trans(gender)**.

It also includes other groups relating to sexual orientation or gender identity including **Intersex, Queer** and more.
